

Is Your Home too Big for your Needs?

NI Homes would be delighted to help you address this.

You may wish to consider:

1) Selling your Home and Downsizing

NI Homes can offer you a free no obligation sales valuation of your home at a time which suits you. You will be provided with all the information you need and talked through the process. Thereafter you can decide whether you want to place your property on the market for sale.

2) Renting out a Room

This is an increasingly popular method which clients love because it means they don't have to move. They prefer to put their wasted space to good use, have company and generate extra income.

Did you know that you can rent a room in your own home and earn tax-free income of up to £4,250 a year?

Why not arrange an appointment and we can talk you through the options on a one to one basis.
